SALOON

• A MUSICAL ACROBATIC ADVENTURE •

Picture this: America is under construction. The West is booming. The railroad is being developed. In the middle of the desert, a town comes to life. A saloon opens its doors. A place to gather and share tales, it quickly becomes a theatre for stories of all kinds. In Cirque Éloize's Saloon, the infectious energy of folk music sets the tone to an acrobatic comedy that sweeps the spectators away in a mad rush. Enigmatic, colourful characters come together and reveal themselves, resulting in a series of unexpected situations, unfolding to the rhythm of acrobatic prowess and original choreographies.

Under the spell of the saloon's beautiful Belle, the lover sets off a chase worthy of the greatest Westerns. The lovebirds on the run wreak havoc everywhere on their path; from the deserted plains to the depth of the mines—until the ultimate acrobatic showdown.

Walking through Saloon's doors means entering a mythical atmosphere created by live music and the exhilarating pace of spectacular performances.

A WORD FROM THE PRESIDENT

“The inspiration for this show comes from what has been our driving force for nearly twenty-five years. It comes from the world of the Wild West, with which we share the frontier spirit of cutting new trails and pushing boldly onward, lightened by a touch of irreverence and a sense of sharing and community.

Saloon is a wonderful playground for a work of artistic exploration. It's the physical energy of acrobatics combined with the poetry of the theatrical approach, a touch of comedy and the musical roots of our childhood come to life.

Saloon is a thrilling, fun and funny musical, an invitation to a party.”

— **JEANNOT PAINCHAUD**
PRESIDENT, ARTISTIC DIRECTOR AND
CREATIVE DIRECTOR

A WORD FROM THE DIRECTOR

“Each project has its own history of encounters. Saloon will tap into the rich heritage of our new adventure. The creators, artists and craftspeople integrate these elements into the different artistic languages they use.

I like to choose the people who surround me, as it gets the endeavour fifty percent of the way there. Then, I like to give each of them free rein to exercise their talents and imagination. This is why I propose the raw story to them as a backbone around which they articulate and develop the creation according to their expertise. From the beginning to end of the creative process, this back and forth of exchanges between the talent and I fleshed out the raw story until Saloon was fully created.

Another ingredient we never forget in the different steps of our creation is the audience and the desire to bring them together with the artists around a celebration of music, dance, circus, set design, sound and theatre – to unite them as one.”

SALOON'S CHARACTERS

DO YOU SPEAK CIRCUS?

AERIAL STRAPS

WHO'S NEVER DREAMT OF SOARING LIKE AN EAGLE?

By wrapping the strap ends around their hands and wrists, the performer twists, rolls, maneuvers, and soars through the air with extreme strength and precision.

— CHINESE POLE —

NOT YOUR REGULAR POLE DANCING ACT.

Have you ever tried to do like squirrels and climb up a tree? Dexterity and agility are essential qualities for these acrobats who climb high on the pole to strike a variety of poses.

— KOREAN PLANK —

REMEMBER THE SEESAW IN THE SCHOOL PLAYGROUND?

Did you ever try standing on one end and being catapulted into the air as your buddy jumped on the other end? It's probably a good idea you didn't. And you shouldn't. Leave it to the pros!

— HAND TO HAND —

TALK ABOUT HAVING YOUR HANDS FULL.

In circus jargon, we like to call it Hand to Hand, while some call it acrobalance. The "base" partner does all the lifting and supporting, while the "flyer" does all the tossing and turning.

— JUGGLING —

JUGGLING AND THE ART OF MATHEMATICS... OR WAIT, IS THAT THE OTHER WAY AROUND?

Mathematics has been used in teaching juggling. The principle is that the time that a ball spends in the air is proportional to the square root of the height of the throw.

— CYR WHEEL —

IT WHIRLS, TWISTS, SPINS AND TWIRLS, AS ROUND AND ROUND IT GOES.

A single large ring, this circus apparatus was actually invented in 2003 by Daniel Cyr, a graduate of the National Circus School and co-founder of Cirque Éloize.

AN INFAMOUS HYMN FOR THE

CIRCLE BE UNBROKEN

«When Jeannot Painchaud approached me to work on a circus show to take place in the world of Wild West saloons, I immediately knew that music would play a central part in the project.

Both he and I grew up in the Magdalen Islands experiencing mythical places arise from our unique island culture, conjured when songs, pianos and people come together in surreal, festive outbursts. To make Saloon's music magical, we showcase both the charming individual vocal performances and the hillbilly harmonies that bring singers together as one.

In this context, we turned to traditional folk and country music, including "Crazy" by Patsy Cline, "Bad News" and "Will the Circle Be Unbroken" by Johnny Cash and the timeless ballads and work songs of Lead Belly, to tell our story while honouring the pioneers of these genres. In addition, a number of original compositions draw from the styles of Dolly Parton, Hank Williams and the great Emmylou Harris, with whom I had the honour of playing in Wainwright-McGarrigle Noël Nights.

The beautiful voice of Sophie Beaudet and the live instrumentation (violins, banjo, mandolin, guitar, percussion) are a major asset when it comes to bringing this period of history alive.

Having had the pleasure of co-composing the soundtrack of *Louis Cyr: l'homme le plus fort du monde* with Jorane, I wanted to instill this epic side in the music of the Saloon show. The acrobats' performances were in this sense a great inspiration for me, dictating the musical drive and rhythm.

Each of the circus disciplines developed in Saloon demands a particular approach. I had to consider not only the story, but also the frantic movements of bodies in space. The acrobats' high-level proficiency and sense of danger totally captivated me. The music acts like a soundtrack of a live movie and, in this context, the influence of a master like Ennio Morricone was unavoidable.

The iconography of the Wild Wild West and Saloon is rich. Like finding myself overlooking a trove of old sepia photographs, it provided an inexhaustible source of knowing nods and references that were insanely fun to play with, while maintaining a modern touch and poetry that remains, in my humble opinion, a Cirque Éloize trump card.»

CIRQUE ÉLOIZE

A driving force in the circus art reinvention movement, Cirque Éloize has been creating award-winning entertainment content for nearly 25 years and ranks among the world's leading contemporary circuses. Cirque Éloize has taken part in numerous prestigious international festivals and has seduced both New York's Broadway and London's West End. Its productions are crafted for a wide range of audiences and have been embraced by over fifty

cultures. In the last 24 years, Cirque Éloize's eleven shows have proudly boasted **more than 4,000 performances** in **over 500 cities** and have been seen by **over three million spectators**. *iD*, *Cirkopolis* and *Saloon* are respectfully the eighth, ninth and eleventh productions under the Cirque Éloize banner currently touring internationally. In addition to its touring shows, **more than 1,500 Cirque Éloize-designed events** have taken place worldwide.

It's pronounced [EL-WAZ] / Éloize is a word meaning "heat lightning" in the Acadian dialect of the Îles-de-la-Madeleine archipelago, located in the Gulf of St. Lawrence, over 200km east of the Quebec coast. The artists from the first Cirque Éloize troupe were all from the islands.
