

## ***Saloon* comes to Montreal and tours Quebec** **At the Monument-National from September 20 to 30**

*Montreal, Monday, May 1, 2017* – Cirque Éloize is proud to announce the return of its latest creation, **Saloon**, to Quebec soil, not only with a grand Montreal premiere, but also with a major series of dates that will see it visit thirteen cities around the province in 2017 and 2018. A show inspired by the rich historical and musical heritage of the Wild West, **Saloon** has already been presented over 120 times on four continents since its 2016 Canadian premiere in St-Tite, Quebec. *Saloon* will run in Montreal at the **Monument-National** in the Quartier des spectacles from September 20 to 30, 2017.

### **Introducing Cirque Éloize to Quebecers**

This decision to present *Saloon* in Montreal is part of Cirque Éloize's renewed desire to have a much greater presence on the stages of Quebec. "On the eve of our 25<sup>th</sup> anniversary, we'll be increasing the presence of our shows on stages around the province, as it's very important for us to (re)introduce Quebecers to the humanity, magic and creativity of Cirque Éloize," says Jeannot Painchaud, President and Chief Creative Officer of Cirque Éloize. The recent success of the **Cirkopolis** tour only confirms this desire.

Prior to the Montreal premier, *Saloon* will be presented as part of the summer series at the **Centre culturel de Joliette** from August 11 to September 3, before making a much-awaited return to the **Festival Western de St-Tite** at the beginning of September.

### **The Wild West comes alive**

*Saloon* is a musical acrobatic adventure that gathers 12 multi-talented artists on stage, including three musicians and singers. Korean plank, aerial straps, Cyr wheel, hand-to-hand and plenty of other inspired acts present an incredible love story where almost anything goes. The spectators find themselves plunged into an America expanding its frontiers, in an exhilarating Wild West where the *Saloon* is where everybody comes to meet and tell their tales. In no time, the audience is swept up in an action-packed world of acrobatics, music and comedy.

The show has already been seen by 90,000 spectators as it's made stops in such countries as Canada, the United States, Turkey, Germany, Chili, France, Belgium and Switzerland. *Saloon* is propelled by original music written and produced by Eloi Painchaud, along with takes on classic songs by Patsy Cline and Johnny Cash. *Saloon* is directed by Emmanuel Guillaume.
